## CANADA STUDENT LOANS PROGRAM (CSLP)

AUC is approved by the Canadian Ministry of Education, providing most students the ability to receive Canadian Federal loans, Provincial loans and Federal grants. Information regarding this program is also available [here](#).

AUC's school code is **ZVAF**.

The CSLP offers up to 52 weeks annually in loans, grants, and repayment assistance to full-time and part-time post-secondary education students who maintain satisfactory academic progress as determined by the individual province. You must re-apply for a Canada Student Loan every school year.

Please see the additional information within this guide for details by province.

If you are a permanent resident of **Ontario, British Columbia, Saskatchewan, New Brunswick, or Newfoundland and Labrador:**

- Complete one application and submit it to your province of permanent residence.
- You are assessed for both federal and provincial student loans and grants.
- You may be eligible to receive one loan: a combination of federal and provincial student loans.
- You manage and repay your student loan through the [National Student Loans Service Centre \(NSLSC\)](#).

## ONTARIO

Federal funding can be up to \$300 (CAD) per week. Awards are based on the actual number of weeks of instructional time. Provincial funding eligibility varies depending on education expenses, course loans, and personal financial situation. You will receive your funds after all your documents are submitted and verified, and AUC has confirmed your enrollment. Your enrollment can be verified up to 2 weeks before your study period starts. You must reach out to AUC's Registrar to request that your enrollment be verified. Your funds are typically issued in two installments: when you start your study period and halfway through your studies.

In order to receive your funding, your enrollment must be confirmed. If you have provided a valid email address, you will receive an e-mail asking you to access your account on the StudentAid BC website dashboard, to download a copy of your confirmation of enrollment form about a month before you are eligible to receive the student loan funds. You should send this to the AUC Registrar's office so your enrollment can be confirmed and sent back to British Columbia Student Financial Aid. After your MSFAA has been processed and your enrollment has been confirmed, your funds will be deposited electronically into the bank account you have specified. The deposit usually occurs within seven business days of the confirmation of the enrollment date.
