Introduction

Dear Students:

The Office of Clinical Advising and Clerkships (CAC) has created this Core Clerkships Guide to showcase our offerings at our affiliated teaching sites. (Core clerkships can only be completed at sites that have an affiliation agreement with AUC, per our accrediting body.)

This guide, which will be updated frequently, will have the following information on each affiliated core site:

- Address
- Information
- Requirements
- List of cores offered
- Duration of each core

Please keep in mind that this guide is informational only: **Scheduling of Core Clerkship rotations must be conducted through the CAC Office after a passing United States Medical Licensing Examination® (USMLE®) Step 1 score is reported.** Students are not to contact the sites directly to schedule core clerkships under any circumstances. Rotations are scheduled first-come, first-served, based on the date the student sat for the USMLE Step 1 examination, and on availability at the time the scores are received. **No site is guaranteed.**

Curricular Requirements

Students are required to complete 42 weeks of core clerkships.

- Internal Medicine 12 weeks
- General Surgery 12 weeks
- Pediatrics 6 weeks
- Obstetrics & Gynecology 6 weeks
- Psychiatry 6 weeks

These clerkships can be completed in any order. The scheduling order will be determined by either the clinical teaching site or CAC. Unless specified, all core clerkships are Accreditation Council for Graduate Medical Education (ACGME)-accredited. You can always contact the CAC office should you have additional questions, or are unable to find information, please email Student Services Advisors at clinical@aucmed.edu.

IMPORTANT: Changes to the core schedule or failure to provide mandatory and/or updated documentation, for any reason with less than 45 days' notice before the scheduled start date, will result in a penalty fee of \$600 per week for the total number of weeks cancelled, plus any additional fees charged by the hospital.

Students may not request to have the start of their clinical rotations delayed beyond 60 calendar days from the receipt of their USMLE Step 1 score per the Student Handbook policy.

Housing

The link below contains suggestions on housing gathered by our office from students' suggestions. Keep in mind the housing options are not affiliated with, nor endorsements of, AUC, they are simply recommendations from previous students.

UNITED STATES

Northeast Region

***Note:**

If you schedule electives in the state of New York, please see the following:

The New York State Education Department (NYSED) requires students to seek approval before beginning their first rotations at any New York hospital. In order to adhere to this NYSED state regulation, students completing rotations in New York are required to submit an application for an approval letter. It is important you complete the NYSED application (contact clinical@aucmed.edu for a copy of the application and specific requirements).

Midwest Region

Ascension Providence Hospital

16001 W. Nine Mile Rd
Southfield, MI 48075

<https://healthcare.ascension.org/Locations/Michigan/MIDET/Southfield-Ascension-Providence-Hospital-Southfield-Campus>

A community-based, teaching system, Providence's team in Southfield and Novi includes more than 1,400 physicians, 4,600 nurses and associates, 900 volunteers, 180 medical residents and fellows. Together they provide award-winning care in over 50 specialties.

Core Clerkships Offered:

(Full core ONLY plus 4 weeks of Family medicine)

<u>CLERKSHIP NAME (ACGME #)</u>	<u>REQUIRED NUMBER OF WEEKS</u>
Internal Medicine (1402511203)	12
Surgery (4402521160)	12
OB/GYN (2202521148)	6
Pediatrics (3202521113)	6
Psychiatry (4002500310)	6
Family Medicine (1202521175)	4

Required Documents:

AUC will provide the hospital with the following documentation:

- Malpractice Insurance
- Letter of Good Standing
- Hospital Evaluations
- Student Summary Sheet
- Student Photo

Please note that clerkships may have an outpatient or commuting component, and you may find it easier to provide your own transportation. Providence's outpatient preceptors are located throughout the local counties; students may be expected to commute further than Novi or Southfield. It is highly recommended that you have your own vehicle to get around.

Student requirements:

These documents along with the Full Core contract are your responsibility, and **must** be submitted **45 DAYS BEFORE** the start of your rotation to Complio (when appropriate) and clinical@aucmed.edu

- Completion of The New York Infection Control Program and HIPAA– ask clinical@aucmed.edu
- ACLS/BLS or CPR card
- A copy of your Personal Health Insurance Card – ask accounts@aucmed.edu
- Background check and 7-10 panel drug test – ask clinical@aucmed.edu
- Physical Exam (no older than 1 year)
- Flu shot (during flu season)

West Region

Kern Medical Center

1700 Mt Vernon Avenue
Bakersfield, CA 93306
www.kernmedical.com

Kern Medical Center is a 222 bed acute care teaching hospital. The Medical Center serves a community of approximately 650,000, and the hospital is owned and operated by the County of Kern. The health of the citizens of Kern County is a priority to Kern Medical Center, and it is the only hospital dedicated to physician resident training.

Core Clerkships Offered:

(Must complete a minimum of 3 core rotations.)

<u>CLERKSHIP NAME (ACGME #)</u>	<u>REQUIRED NUMBER OF WEEKS</u>
Internal Medicine (1400531031)	12
Surgery (non-ACGME)	12
Pediatrics (non-ACGME)	6
OB/GYN (2200531027)	6
Psychiatry (4000522298)	6
Family Medicine (1200511038)	6

Required Documents:

AUC will provide the hospital with the following documentation:

- Malpractice Insurance
- Letter of Good Standing
- Hospital Evaluations
- Student Summary Sheet
- Photo

Student requirements:

These documents along with the Full Core contract are your responsibility, and **must** be submitted **45 DAYS BEFORE** the start of your rotation to Complio (when appropriate) and clinical@aucmed.edu

- Completion of The New York Infection Control Program and HIPAA– ask clinical@aucmed.edu
- ACLS/BLS or CPR card
- A copy of your Personal Health Insurance Card – ask accounts@aucmed.edu
- Background check and 7-10 panel drug test – ask clinical@aucmed.edu
- Physical Exam (no older than 1 year)
 - **MUST BE COMPLETED WITHIN 12 MONTHS PRIOR TO BEGINNING A ROTATION AND** include a statement by the physician that the medical student is physically capable of performing the duties assigned. (** If student has a known latex sensitivity, physician who performs the exam must include an assessment of the level of sensitivity and a recommended plan for accommodation.*)
 - **Exam document(s) must include physician's printed name, signature, and date of examination**

- Flu shot (during flu season)
 - During flu season (10/1 – 4/31) proof of current seasonal influenza vaccination.
- Immunization Documents:
 - **Measles, Mumps, Rubella, Varicella, and Hepatitis B quantitative antibody titer results.** Results must be provided in laboratory report format that includes reference ranges. If student is non-immune to one or more of these diseases, proof of vaccination must be provided to include dates all doses of vaccines were received.
 - Proof of current Tdap vaccination.
 - Hepatitis C (HCV) antibody titer completed **within the last 3 months.**
 - TB Skin test or IGRA **within the last 30 days including measurement of induration, date and time of placement and reading (TB skin test only).**
 - If TB skin test is greater than 10 mm, IGRA is positive, or student has documented proof of a previous positive TB skin test or IGRA, must provide results of a chest x-ray completed **within 3 months** and verified as negative/normal (Free of active TB disease).
- Respirator Fit Test – You will need to be fit tested for an N95 respirator. Masks that we use at Kern Medical are Halyard 46727 Regular, Halyard 46827 Small, 3M 1860 Regular, 3M 1860S Small. If you already have documentation from your school **within the last year** (or any other occupational health center), then you may email this information over to us but must include the documentation requirements above. If you cannot pass a respirator fit test, you will need to complete the PAPR competency **during the first week of rotation.**
- Authorization for Release of Information - ask clinical@aucmed.edu
- Latex Sensitivity Questionnaire - ask clinical@aucmed.edu
- Photo ID (Driver's License, Social Security card, Green Card – if applicable), Copy of Passport (photo page only)
- Photo for ID badge

Students who do not meet these requirements will not be allowed to begin their scheduled clerkship(s). NO EXCEPTIONS.

Southeast Region

Baton Rouge Medical Center

8585 Picardy Avenue
Baton Rouge, LA 70809
www.brgeneral.org

Baton Rouge General Medical Center is a full-service community hospital with 527 licensed beds between two campuses. It inaugurated in 1900, as the first hospital in Baton Rouge. As an accredited teaching hospital since 1991, Baton Rouge General is committed to exceptional medical education through our School of Nursing, School of Radiologic Technology and Residency programs: Family Medicine, Internal Medicine, and Sports Medicine. Baton Rouge General is also affiliated with and serves as a satellite campus of Tulane University School of Medicine for students participating in the LEAD (Leadership, Education, Advocacy and Discovery) Academy program.

UNITED KINGDOM

A student who has passed their USMLE Step 1 examination and will be traveling to the UK for completion of **eighteen weeks or more core clerkships** is eligible for a \$1200 subsidy toward the cost of expenses during these rotations. It is recommended that students traveling to the UK use this subsidy to purchase their round-trip airline ticket as AUC will provide no other subsidy for the cost of air travel. *(AUC will no longer provide flight tickets through TSI)*

If the student cancels or changes the schedule for any reason with less than 45 days' notice, he or she will be charged a **late cancellation fee of \$600 per week for the total number of weeks cancelled**. This fee will be in addition to any penalty fee charged by the hospital.

Once a student has accepted a fully or partially tracked core clinical clerkship schedule, they must complete the acknowledgement and agreement in its entirety and supply the required documentation. If at any point after accepting the tracked schedule, the student should wish to change any part of it, they may incur associated fees including applicable late cancellation fees, a **\$2,000 administrative fee**, and *any additional fees or penalties imposed by the site for the uncompleted rotations.*

Stepping Hill Hospital

Hazel Grove
Stockport
Cheshire SK2 7JE
United Kingdom

www.stockport.nhs.uk

Medical Education Coordinator:

Mrs. Helen Crilly

E-mail: HCrilly@aucmed.edu

Stepping Hill Hospital is Stockport NHS Foundation Trust's main hospital, which provides hospital services for children and adults across Stockport and the High Peak, as well as community health services for Stockport, Tameside and Glossop. It is a large hospital with a busy Emergency Department, a high number of daily admissions, outpatient clinical attendances and maternity deliveries. Urology, maternity, orthopedic and stroke services at Stepping Hill Hospital are highly-rated nationally. The Trust runs one of the largest orthopedic services in the country and a specialist stroke center serving the south of Greater Manchester. There is hospital accommodation available within the grounds of the hospital for single students, but many students choose to rent privately in the locality. The students are based within a modern education centre, with a library, lectures rooms, and simulation center

Worthing Hospital

Lyndhurst Rd
Worthing
West Sussex BN11 2DH
United Kingdom
www.westernsussexhospitals.nhs.uk/about-us/worthing-hospital

Medical Education Coordinator:

Mrs. Helen Crilly
E-mail: HCrilly@aucmed.edu

Worthing Hospital is a 500 bed District General Hospital (DGH) located in Worthing, West Sussex, England. It has a busy Emergency Department and has a pioneering acute medical ward with four wards of both acutely ill medical and surgical patients. In 2001 a Children's Centre opened, enabling almost all children's healthcare needs to be met under one roof. The site does not provide a core clerkship for psychiatry but is able to offer a period of 6 weeks for electives, a wide range of which are available, if desired. There is accommodation available on site for single students.

Core Clerkships Offered:

Medical Education Coordinator:

Mrs. Helen Crilly

E-mail: HCrilly@aucmed.edu

Queen's is the flagship hospital of the Barking, Havering and Redbridge Hospitals NHS Trust. It has a standard bed capacity of 939. It operates a full A&E service which is one of the busiest in the UK with trauma center and a hyper-acute stroke unit. Its specialties include one of the largest maternity units in the country together with the Queen's Birth Centre, a renal dialysis unit and a specialist neurosciences center. There is a regional neurology and neurosurgery department on the Queens site. It is connected to King George's Hospital by a shuttle bus, and students may spend some of their time at King George's Hospital. Students' accommodation is provided by Swan Housing immediately adjacent to the hospital, and a variety of apartment configurations may be available for students. No psychiatry core is offered here.

Epsom General Hospital

Dorking Road
Epsom
Surrey KT18 7EG
United Kingdom

www.epsom-sthelier.nhs.uk

Medical Education Coordinator:

Mrs. Helen Crilly

E-mail: HCrilly@aucmed.edu

Epsom General Hospital is a hospital in Epsom, Surrey, England. It is part of the Epsom and St. Helier University Hospitals NHS Trust. It contains a busy accident and emergency (ER) and a range of diagnostic and supporting services including pathology, radiology (including CT, MRI and ultrasound), the South West Elective Orthopedic Centre (SWLEOC), vascular diagnostic services and an acute psychiatric facility operated by Surrey and Borders Partnership NHS Foundation Trust. The departments of surgery, pediatrics, and OBGYN as well as IM are all busy and within the one hospital campus. However, students can augment their experience in surgery, and many subspecialties by spending time at St Heliers Hospital a few miles away and accessed by a free shuttle bus. There is a large education unit within the hospital with a library and simulation center. Much of the teaching program is delivered by clinical training fellows who are doctors dedicated to medical student teaching.

Accommodation for single students is available at a large converted house owned by the hospital located in Epsom about 15 minutes walk away.

St. Richard's Hospital

Spitalfield Lane

Chichester

West Sussex PO19

6SE United Kingdom

<http://www.westernsussexhospitals.nhs.uk/about-us/st-richards-hospital/>

Medical Education Coordinator:

Mrs. Helen Crilly

E-mail: HCrilly@aucmed.edu

Located roughly 70 miles from London in the coastal city of Chichester, St. Richard's Hospital offers modern facilities and a comprehensive cutting-edge simulation center located in a dedicated medical education building within the hospital grounds. The 430-bed hospital is home to several surgical specialists including those who perform maxillofacial, thyroid, neck, and bariatric procedures. Students also benefit from exposure to the hospital's ophthalmology and dermatology departments. All the core clerkship departments of IM, surgery, pediatrics and OBGYN are busy with many learning opportunities. The psychiatry core is located in a building next to St Richard's Hospital and also in the local community. Accommodation is usually available in house and apartments within the hospital campus.
